May 2011

Beloved Friends and Ministry Partners,

We serve an *awesome* God! He continues to build and strengthen His work with ACM! We are excited to share with you another update of the wonderful ways that God is working through our staff and volunteer missionaries in East Africa. We stand in awe of the things He has done!

UPDATE FROM THE FIELD

- ❖ Since January 1995, more than 15 thousand – and last year alone 1,566 – men, women and children met Jesus, their Savior, through the evangelism ministry of ACM staff and Mission Volunteers.
- ❖ The Lord allowed us to regularly reach 2,700 children with teaching from His Word last year through Christian Character Development classes in public schools in Uganda and Sunday school classes in churches in Kenya, all lead by ACM staff.
- ❖ In 2010 we recorded 916 medical treatments for orphans and desperately poor children, who are supported by ACM; and God mercifully spared 754 lives by providing malaria treatments through ACM's Lugega Memorial Clinic! We thank you, God!
- ❖ Last year the feeding ministry served over 441 thousand meals to hungry children.
- ❖ In 2010 we hosted 12 mission teams, totaling 50 volunteers from California to Pennsylvania.
- ❖ Our awesome God has stretched us to beyond what we thought was possible. In His grace He grants wisdom, guidance, faith and provision. Thank you, Lord!!

“Lord, there is no god like you and no works like yours... You are great and you do miracles. Only you are God.” Psalm 86:8 & 10

The preceding update includes only parts of last year's ministry report. To view the complete report on our website, click on the “Ministry Report” page.

BIOGAS SYSTEM

Our new biogas system, installed in 2010, is now fitted with a gas line, regulators and connectors to link it to and provide the proper amount of methane gas to generators, which will produce electricity. The system will operate a compressor for two walk-in coolers for milk storage in support of dairy operations. Later on it will also serve in cheese production to support the children's ministry. Pictured at the right is Randy Wilbanks, engineer of the project, holding the pipe through which methane gas flows from the manure slurry tank to produce the flame that will power the generators. Well done, Randy!

CHILD SPONSORSHIP

We want to be able to help 50 more children this year with more than just their school lunch. Child Sponsorship includes clothing, school tuition, uniform, books and supplies, medical and dental care. Like to know more? Look for the “Child Sponsorship” page on our website and click on “About Child Sponsorship”.

WE'RE GOING PAPERLESS!

You now have the option to receive all communication from us online and via email. This advancement will greatly benefit the children as it will enable us to put a large portion of administrative funds into ministry use instead. You can help with a brief email to acm-ea@att.net. Simply tell us whether you would like to participate in the paperless program and receive prayer letter updates and contribution receipts via email.

PRAISES FOR ANSWERED PRAYERS

Thank you so much for faithfully praying for the ministries of ACM!

“When a believing person prays, great things happen.” James 5:16 (NCV)

✎ *Praise and glory to God for these things He has done...*

- His continued faithfulness and favor upon His work in East Africa through ACM!
- Seeds of faith planted and watered, and an abundant harvest received!
- The teaching of God’s Word to so many children!
- Children’s stomachs filled with nourishing food every school day!
- Diseases healed and lives saved through medical ministry!
- 50 visiting mission volunteers sent to work alongside our national staff!
- The new biogas cooling system!

✎ *Please pray for God to answer this, our greatest need...*

- Sponsorship for children on our waiting list.
- Our family was not affected, but please pray for the tornado victims suffering in Alabama and other states across the south. Deaths and destruction were far greater than you can imagine.

PERSONAL NEWS

It is our joy to announce our daughter, Chris’ recent marriage to Richard Heartsill. Wayne was privileged to perform their wedding ceremony.

THANK YOU!

We are grateful for all you do in support of ACM! On behalf of the board members, volunteers, and ACM staff, working together with you...

For God’s glory and the children’s good,

Wayne and Mary
